Dear Speedway Pavement Race Teams,

As of 6:00 p.m. March 2<sup>nd</sup> 2010, the Northland Tour Pavement Series will be sanctioned by National Speedway Partnership, LLC - Mid America Speedway Nationals (MASN). This is an exciting opportunity to partner with MASN to expand the series and grow the sport of speedway karting.

While there are a lot of details to work through, I would like to share some basic information.

- 1) The schedule for the Northland Tour Pavement Series, MASN Sanctioned karting event, will remain the same as it is posted on [www.northlandtour.com/pav/](http://www.northlandtour.com/pav/) . All the tracks and dates have remained the same.
- 2) The event format will remain the same.
- 3) The classes will be adjusted, I will have the website updated by Sunday morning February 7<sup>th</sup>
- 4) Andy Bear will be the 2010 Race director for the series and will be supported by the staff of the Northland Tour.
- 5) Entry Fees will remain the same
- 6) There will be a Mid-America Speedway Pavement National in August
- 7) NSP membership will be required. (\$45.00 annual membership includes membership card, patch, decal and Rules and Technical Guide)

I am excited about the direction the series is taking and would like to thank Brian and the staff of the National Speedway Partnership for their support and guidance.

Sincerely,
